to be. None I would like to address the F33C of
my case AS to someone evidence and A F33C I
have with Jail Administration.

After being in this facility and this cell I was FN
I addressed the issue of the Black mold and sinks not
working. After my second writup and the fact that
the Administration received copies of my Law suit
did in fact at that time take action to resolve the
issue.

They did in fact move me out of the cell I was
in and then did clean up the Black mold and did
the repairs. Only after they had left me in this
act of deliberate indifference. They recklessly disregarded
my safety and added a risk of harm and a condition
that exposed me to a unreasonable risk of serious damage
to my future health (Helling v. McKinney; 509 U.S. 25, 34
1993) By reading these inmate request forms and
looking at the Administration response you clearly see
they moved me after receiving the Law suit paper this
